

Heart of England Junior British Ranking Event September 2006

For the first year a small team from Hazama Judo club travelled to the National Indoor Arena to compete in the Heart of England Championships.

Not at all overcome by the event each player put in very good performances. Jack however stood out as the clubs best competitor when winning his first two fights by Ippon throws to progress to the semi final.

Jack was winning well until the last minute when he was thrown by Ippon. On Jacks first time competing outside NI in a major competition this was an excellent result.
